

Toontown Rewritten Art Brand Artist Application

Thank you for showing interest in becoming part of the Toontown Team! Before you start filling out this application, there are a few things you should know:

1. **Toontown Rewritten is a volunteer effort.** No income or salary is provided as compensation for anyone's involvement.
 2. **A Brand Artist's role is to create assets for digital graphics and print media.** Your work will be used on our website, social media, and conventions and must be print ready.
 3. **Variation is important.** As a Brand Artist, you may be asked to create multiple versions of the same item. It may mean that you'll be going through an unlimited number of different ideas before getting final approval.
 4. **Critiques are always given.** You may be asked to make multiple fixes before it is accepted.
 5. **Toontown's style is set in stone.** When creating illustrations, it is very important to keep the current art style in mind. We are working on a game based on an existing design that the original art team left behind.
-

As a Brand Artist for Toontown Rewritten, you will be creating illustrations that will be used to represent our game both digitally and physically. This may include graphics for our website, interactive crafts, and merchandise.
