---

Thank you for showing interest in becoming part of the Toontown Rewritten Team! Before you start filling out this application, there are a few things you should know:

1. **Toontown Rewritten is a volunteer effort.** No income or salary is provided as compensation for anyone's involvement.
  2. **A Concept Artist's role is to expand written ideas into a visual format.** Later on in the production line it will allow 3D modelers and texture artist use to reference.
  3. **Variation is important.** As a concept artist you may be asked to create multiple versions of the same item. It may mean that you'll be going through a unlimited number of different ideas before getting a final approval.
  4. **Toontown's style is set in stone.** When creating illustrations it is very important to keep in mind the current art style. We are working on a game based off of an existing design that the original art team left behind.
