

PUBLIC RELATIONS DEPARTMENT

Event Planner Application

Thank you for showing interest in becoming part of the Toontown Team! Before you start filling out this application, there are a few things you should know:

1. **Toontown Rewritten is a volunteer effort.** No income or salary is provided as compensation for anyone's involvement.
 2. **You must be comfortable collaborating and coordinating with others, as well as synchronizing groups of people.** Event planning is more than just helping to plan events for our game! You'll be working with Team members, the Toontown Rewritten Partners, and the public to bring both in-game and real-life events to fruition!
 3. **Event Planners must be highly organized and detail-oriented.** Planning an event is a lot of work! We are looking for individuals who are comfortable with their organizational skills and who are able to communicate effectively across multiple departments.
 4. **Having some creativity goes a long way.** You don't need to be an expert at this, but having some fun with the way you create events is what makes events so exciting!

ABOUT THE ROLE

As an Event Planner for Toontown Rewritten, you will be working on creating in-game events, and, at times, real-life events, for both Toontown Rewritten and for our Partners' events. Other duties include livestream planning and working with the Team to prepare for our annual convention, ToonFest! You will coordinate between the Public Relations and Production departments, engaging with all of our other Departments every so often, work regularly with Notion, and build the infrastructure for event success.

We are searching for people who feel comfortable and confident working both independently and as a team. Ideal candidates will be people who are enthusiastic about the community, have a strong sense of organization, and enjoy the creative process. Lastly, having the ability to juggle different events and duties at once is a plus!
