ART DEPARTMENT
Concept Artist Application

Thank you for showing interest in becoming part of the Toontown Team! Before you start filling out this application, there are a few things you should know:

1. **Toontown Rewritten is a volunteer effort.** No income or salary is provided as compensation for anyone's involvement.

2. **A Concept Artist's role is to expand written ideas into a visual format.** Later on in the production line, 3D Modelers and Texture Artists will use them as references.

3. **Variation is important. As a Concept Artist, you may be asked to create multiple versions of the same item.** It may mean that you'll be going through an unlimited number of different ideas before getting final approval.

4. **Toontown's style is set in stone.** When creating illustrations, it is very important to keep the current art style in mind. We are working on a game based on an existing design that the original art team left behind.

ABOUT THE ROLE

As a Concept Artist for Toontown Rewritten, you will be working with the rest of the development team to help turn written ideas into a visual format. When helping interpreting written ideas for content in-game, you will be dealing with designing many new rooms and environments. An understanding of environmental and perspective artwork will be very important.

We are searching for concept artists who have a creative and strong-willed mindset as they may be asked for many variations of one idea or critiqued multiple times.
