## REQUIRED CHALLENGE

Two prompts have been listed below to create entertaining and engaging posts for specific outlets. Use your creativity to fulfill both prompts, keeping in mind the style, limitations, and target audience.

Each of these posts should be written as if they are meant to be posted from an official Toontown Rewritten account.

1. Write a full blog post that will be posted on our website at any time during the year. You have full creative freedom here, so go all out! **You do not need to create an image along with the post**, but you are more than welcome to do so if you desire. If you do create an image, feel free to attach it to your application when you send it in so we can enjoy it too!
2. Write a ToonTask! You can have full creative freedom, whether you want to rewrite any existing ToonTask in the game or create a new ToonTask for a new reward. If you'd like, you can reference our internal format for writing ToonTasks [here](#). If you would like, you can also follow or expand on this template:

Picked up away from NPC:

(NPC) Defeat 30 Cogs:

(NPC) Visit NPC:

(NPC) Recover item from Cogs:

Complete:

Note: You must also include dialogue that is triggered when a Toon visits the NPC before completing their task. This is known as "Incomplete" dialogue.
