

PRODUCTION DEPARTMENT

Producer Application

Thank you for showing interest in becoming part of the Toontown Team! Before you start filling out this application, there are a few things you should know:

1. **Toontown Rewritten is a volunteer effort.** No income or salary is provided as compensation for anyone's involvement.
 2. **Production is more than organizing and sorting documents; we are responsible for helping the team achieve their vision for a project.** It's our goal to keep the team on-track and in-line with the project goals, and sometimes we need to enforce positivity or realism into the conversations.
 3. **The ideal Producer is someone who is organized, has great communication skills, and has experience in project management.** They are also self-driven and highly-motivated to complete their tasks in collaboration with the rest of the team, and are able to work with other departments to put together plans for projects and develop solutions for any challenges that come up.
