

CREATIVE MEDIA DEPARTMENT

Render Artist Application

Thank you for showing interest in becoming part of the Toontown Team! Before you start filling out this application, there are a few things you should know:

1. **Toontown Rewritten is a volunteer effort.** No income or salary is provided as compensation for anyone's involvement.
 2. **A Render Artist's role is to create assets for digital graphics and print media.** Your work will be used on our website, social media, and conventions and must be print ready.
 3. **Critiques are always given.** You may be asked to make multiple fixes before it is accepted.
 4. **Toontown's style is set in stone.** When creating illustrations, it is very important to keep the current art style in mind. We are working on a game based on an existing design that the original art team left behind.

ABOUT THE ROLE

The Brand Art role is broken into three groups based on your preferences and experiences. Some artists like sketching ideas out and others like finalizing work. Others just like the whole process of creating illustrations! These roles are Brand Artist, Sketch Artist, and Render Artist.

This application is for the **Render Artist** position. If you are interested in any other roles, please check them out [here](#).

As a Render Artist for Toontown Rewritten, you will be finalizing sketches created by Sketch and Brand Artists that will be used to represent our game both digitally and physically. This may include graphics for our website, interactive crafts, and merchandise.

We are looking for Render Artists who are not only capable of creating works that are up to a professional standard, but a creative and hard-working mindset.
