

CREATIVE MEDIA DEPARTMENT

Video Editor Application

Thank you for showing interest in becoming part of the Toontown Team! Before you start filling out this application, there are a few things you should know:

1. **Toontown Rewritten is a volunteer effort.** No income or salary is provided as compensation for anyone's involvement.
 2. **Video Editors work primarily with "in game" and occasionally "real world" scenarios.** The videos that Video Editors mainly produce are gameplay videos. Occasionally, we use footage from our annual convention to produce advertisements.
 3. **Critiques and feedback are always given.** You may be asked to make multiple fixes and revisions before your video is used.
 4. **Videos created are owned and uploaded by Toontown Rewritten.** Videos created are to be used as Toontown Rewritten marketing materials, and cannot be uploaded to personal accounts without permission. These videos can be used, however, on personal portfolios and resumes.
 5. **In-game activity is considered.** We are looking for Video Editors who actively play Toontown Rewritten. We are looking for applicants who have at least one month of consistent gameplay when we receive and review their application.
